

# Grand Hotel Lund

**Located within 10 minutes walk from the venue.**

Grand Hotel is a true scene for gathering in the very heart of Lund. We welcome all guests with business or pleasure in mind. Or why not both?  
At Grand Hotel, you can enjoy a wonderful meal from our class cuisine, meet with friends for a beer after work or visit one of the events from our crammed festivity calendar. As a guest with us, you get your night's rest in comfortable and well-furnished rooms. Our philosophy is to deliver experiences for all senses. That is the way it has been ever since we opened in 1899. Still today, we consider this is a winning philosophy.
